Race Day Packet Pick-Up / Last Minute Registration

Race day packet pickup and registration will be open from 6:30AM-8AM, inside the Library.

Race Logistics

At the start line, we ask that participants seed themselves by pace, and kindly request all strollers, walkers, and all 4-legged friends to line up behind all runners. The timing has changed this year. We will have a starting pad so as each runner crosses it, their individual time will begin! No more wondering if your time would have been better if you started on the line!

Racecourse

The race starts & finishes behind the Flint Public Library. Picturesque 5K (3.1 mile) lollipop racecourse with some rolling hills. Course follows the Middleton Pond on paved road for approximately .7 miles before turning into a hard-packed dirt road for another .5 miles. The course will loop around residential back roads before returning to Flint Library.

Water/Hydration Stop

We will have 1 water stop sponsored by our friends at CrossFit WICKED shortly after the one-mile mark before the loop, so runners can get a drink before and/or after the loop. If you choose to bring your own fuel, please do not litter.

Race Day Parking

Parking is available at Howe-Manning School, behind Memorial Hall, and at Middleton Green (1 Central St). Wheelchair accessible parking will be permitted at the Library's 7 spots on Pleasant St.

Porta-Potties

There will be porta-potties on the grass by the starting line, and bathrooms inside the Library.

Awards

All race finishers will be given a finisher medal at the Finish Line. We'll be starting the awards at approximately 9:00AM.

Race Swag

Long sleeve race shirts were guaranteed to anyone pre-registered on or before 11/14. After that date, shirt sizes will be distributed by your registration date. No shirts will be held or mailed out post event if you do not pick them up.

We'll be selling other Turkey Merchandise (New in - Pint Glasses!) at pre-race packet pickup and on race morning. (CASH/CREDIT/CHECK/VENMO)

Donation Request

We are requesting that each race participant bring a canned good/dry good to be donated to the Middleton Food Pantry. If we can all remember to bring one item, we will be donating upwards of 600 goods during this particularly important time of year. These can be brought to pre-race packet pickup or on race morning.
